TRAVEL BECOMES EXPERIENCE

**MIRAGE®**  
Ceramics Design Sustainability

IL VIAGGIO.

THE JOURNEY · DIE REISE · LE VOYAGE · EL VIAJE · ПУТЕШЕСТВИЕ · 旅程。

RICERCA, SPERIMENTAZIONE, DESIGN.

INIZIA UN VIAGGIO DI SENSAZIONI, RICORDI ED ESPERIENZE, CHIAMATO **TRANSITION**.

UNA COLLEZIONE CHE NASCE DALLA COLLABORAZIONE DELLO STUDIO LANZAVECCHIA + WAI CON MIRAGE®. UN INCONTRO E UN PERCORSO CREATIVO LEGATO AL CONCETTO DI PASSAGGIO, CAMBIAMENTO, TRANSIZIONE REALE E METAFORICA DA UN LUOGO ALL'ALTRO.

UN VIAGGIO DIVENUTO ESPERIENZA.

.....

TRANSITION | TRAVEL BECOMES EXPERIENCE

reddot award 2016  
winner

With its origins dating back until 1955, with more than 17,000 entries each year, Red Dot is one of the best-respected design competitions in the world. The sought-after award, the "Red Dot", is the revered international seal of outstanding design quality.

"Red Dot Award: Product Design" appraises the best products of the year. Manufacturers and designers from all over the world submit originals of their latest products in the hope of being awarded the sought-after distinction "Red Dot". 31 categories provide space for the wide diversity in product design. Innovation, formal quality, functionality and ecological compatibility are just some of the criteria on which the decision is based.

Research, experimentation, design. A journey of sensations, memories and experiences, called **Transition**. A collection born from the collaboration of Lanzavecchia + Wai with Mirage®. A meeting and a creative path linked to the concept of landscape, change, real and metaphorical Transition from one place to another. A journey that becomes experience.

Forschung, Experimentieren, Design. Eine Reise durch die Empfindungen, Erinnerungen und Erfahrungen namens **Transition** beginnt. Eine Kollektion, die der Zusammenarbeit zwischen dem Büro Lanzavecchia + Wai und Mirage® zu verdanken ist. Eine Begegnung und ein kreativer Werdegang, der eng mit dem Konzept des vorübergehens, der Aenderung, der tatsächlichen und metamorphischen Transition von einem Ort an einen anderen verbunden ist. Eine Reise, die zur Erfahrung wird.

Recherche, expérimentation, design. Partez pour **Transition**, le pays des émotions, des souvenirs et des expériences. **Transition** est une collection issue de la collaboration entre Lanzavecchia + Wai et Mirage®. Le fruit d'une rencontre, l'horizon d'un parcours créatif dans le concept du passage d'un lieu à un autre, de la mutation, de la transition, au sens propre comme au sens figuré. Un voyage devenu expérience.

Investigación, experimentación y diseño. Despegue un viaje de sensaciones, recuerdos y experiencias llamado **Transition**. Una colección que surge de la colaboración entre el estudio Lanzavecchia + Wai y Mirage®. Un encuentro y recorrido creativo vinculado a los conceptos de pasaje, cambio, transición real y metamórfica de un lugar a otro. Un viaje convertido en experiencia.

Поиск, эксперимент, дизайн. Начало путешествия в мир чувств, воспоминаний и опыта под названием **Transition**. Эта коллекция возникла в результате сотрудничества студии Lanzavecchia + Wai с компанией Mirage®. Встреча и творческий путь, связанные с идеей перехода, перемен, реального и метафорического перемещения из одного места в другое. Путешествие, которое превратилось в опыт.

研究，试验，设计。  
这个称为TRANSITION的全新系列，引领您展开一趟情感、回忆与体验之旅。  
本系列由Lanzavecchia + Wai研究所与Mirage®公司的合作而诞生。创新的思路和途径，与从一个地方到另一个地方的过渡、转变、实质性和象征性的变迁的概念密切相关。旅程成为体验。

No reference or imitation: Transition is a sophisticated return to craft ceramics, where every element was and still is sensation, matter, research. A graphic feature that leads to the world of Italian-made craftsmanship: an ancient skill, known and handed down through time, blends with the technology of industrial production.

Keine Bezugnahme oder Imitation: Transition ist eine raffinierte Rückkehr zur handwerklichen Keramikmanufaktur, bei der jedes Element Wahrnehmung, Materie und Suche war und bis heute ist. Ein grafischer Stil, der zur Welt des italienischen Handwerks zurückführt: ein seit alten Zeiten bekanntes und bis zu uns überliefertes Wissen verschmilzt mit der Technologie der industriellen Produktion.

Ni référence ni imitation : Transition est un retour quintessentiel vers la céramique de facture artisanale, quand chaque élément était et est encore une histoire de sensation, de toucher de la matière, de recherche. Un trait graphique qui ramène à la dimension de l'artisanat made in Italy : un savoir ancien, connu et transmis au fil du temps qui noue son fil à celui de la technologie de production industrielle.

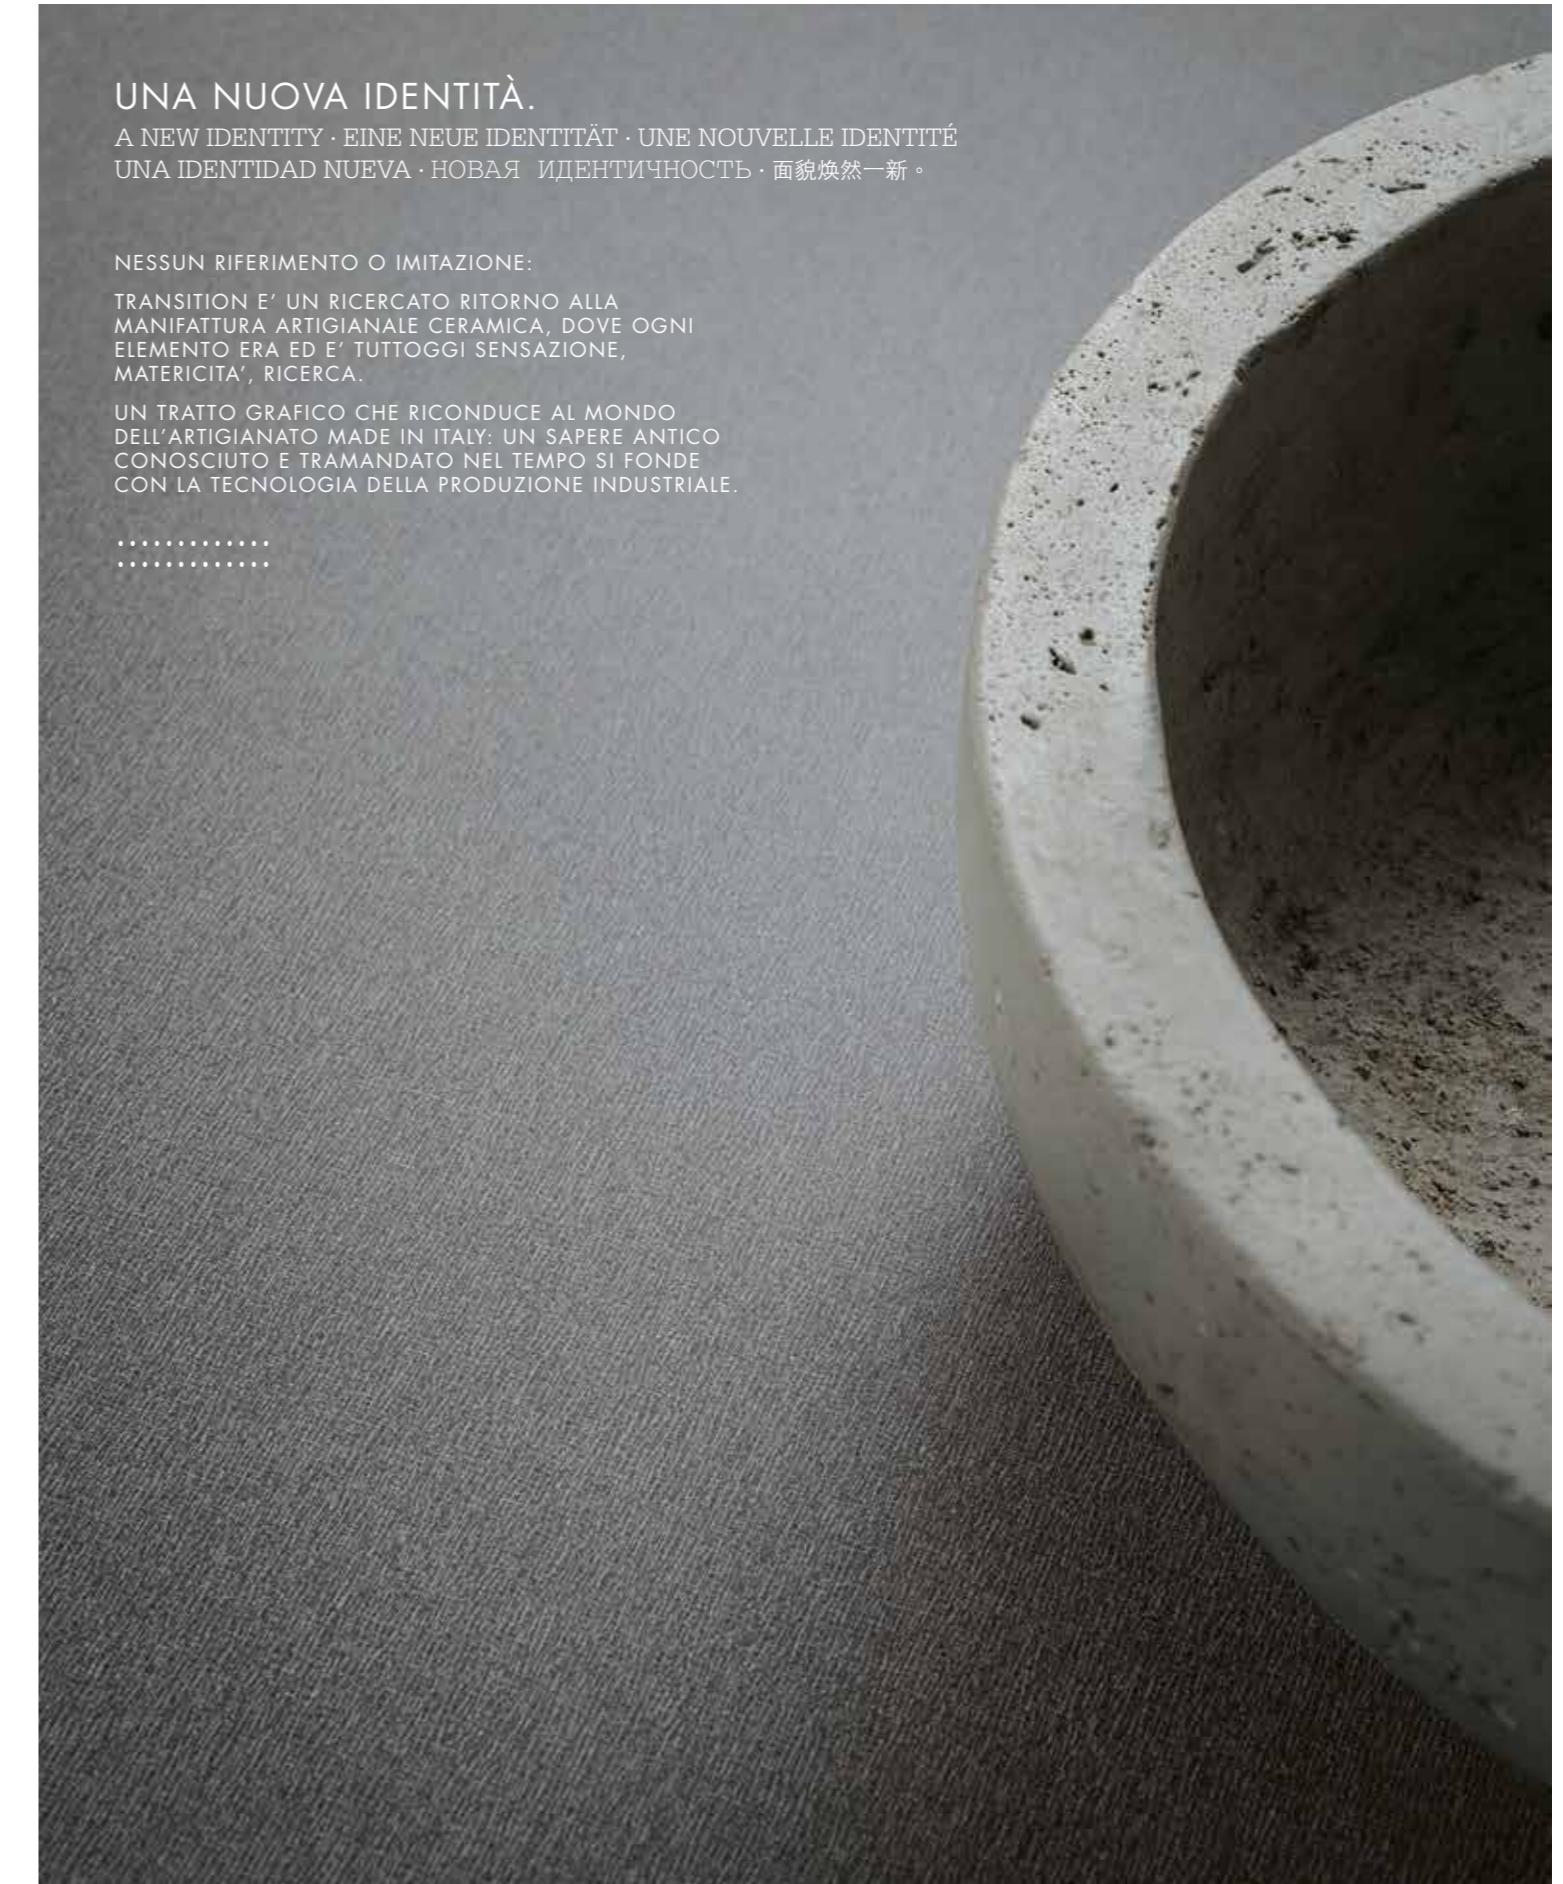

## UNA NUOVA IDENTITÀ.

A NEW IDENTITY · EINE NEUE IDENTITÄT · UNE NOUVELLE IDENTITÉ  
UNA IDENTIDAD NUEVA · НОВАЯ ИДЕНТИЧНОСТЬ · 面貌焕然一新。

### NESSUN RIFERIMENTO O IMITAZIONE:

TRANSITION È UN RICERCATO RITORNO ALLA MANIFATTURA ARTIGIANALE CERAMICA, DOVE OGNI ELEMENTO ERA ED È TUTTOGGI SENSAZIONE, MATERICITÀ, RICERCA.

UN TRATTO GRAFICO CHE RICONDUCE AL MONDO DELL'ARTIGIANATO MADE IN ITALY: UN SAPERE ANTICO CONOSCIUTO E TRAMANDATO NEL TEMPO SI FONDE CON LA TECNOLOGIA DELLA PRODUZIONE INDUSTRIALE.

Sin referencias ni imitaciones. Transition es un minucioso retorno a la artesanal producción cerámica en la que cada elemento era y es sensación, materia y estudio, una grafía que vuelve a adentrarnos en el mundo artesanal made in Italy. Un antiguo saber conocido y transmitido a lo largo de los años que se fusiona con la tecnología de la producción industrial.

Никаких имитаций или образцов: Transition представляет собой изысканную интерпретацию традиций керамического ремесленного производства, где каждый элемент был и до сих пор является ощущением и материальным воплощением поиска. Рисунок вернет нас в мир ремесленного производства made in Italy, где древние знания передаются из поколения в поколение и объединяются с технологиями промышленного производства.

Transition系列完全没有参考或仿制任何其它产品，致力于回归陶瓷手工制作的本源：每一件产品都曾经是而且现在仍然是充满感性、物质性强、精致考究的制品。该系列将世代相传的古老手工技术与工业生产的高薪科技巧妙结合，令意大利手工制作的传统发扬光大。

Naturally irregular, the texture is enriched with overlaid colours, creating the ideal photograph of a journey. An itinerary that crosses Italy, collecting colours and shades and re-interpreting them in a contemporary key.

The five proposed shades are the steps in a creative path. Five Italian cities whose souls are reproposed in nuances inspired by their urban landscape: Ostuni, Lecce, Matera, Turin and Milan.

Die natürlich unregelmäßige Textur wird durch farbliche Überlappungen bereichert, die die ideale Reisefotografie darstellen. Eine Reise, die durch Italien führt, die Farben und Nuancen des Landes einfängt und in zeitgemäßem Schlüssel neu interpretiert.

Die Fünf vorgeschlagenen Farbtöne stellen die etappen einer kreativen Reise dar. Fünf italienische Städte, deren Seele in ihrer städtischen Landschaft inspirierten Nuancen angeboten wird: Ostuni, Lecce, Matera, Turin und Mailand.

Naturellement irrégulière, la texture est enrichie de superpositions chromatiques, comme autant de photos idéales prises au cours d'un voyage. Un itinéraire qui traverse l'Italie, en cueille les couleurs et les nuances pour les réinterpréter sous une optique contemporaine.

Les cinq tonalités proposées constituent les étapes d'un parcours créatif. Cinq villes italiennes dont l'âme s'exprime dans des nuances inspirées de leur paysage urbain : Ostuni, Lecce, Matera, Turin et Milan.

NATURALMENTE IRREGOLARE, LA TEXTURE È ARRICCHITA DA SOVRAPPORZIONI CROMATICHE CHE SONO L' IDEALE FOTOGRAFIA DI UN VIAGGIO. UN ITINERARIO CHE ATTRAVERSA L'ITALIA, NE RACCOGLIE COLORI E SFUMATURE E LI REINTERPRETA IN CHIAVE CONTEMPORANEA.

LE CINQUE TONALITÀ PROPOSTE SONO LE TAPPE DI UN PERCORSO CREATIVO. CINQUE CITTÀ ITALIANE LA CUI ANIMA È RIPROPOSTA IN NUANCES ISPIRATE AL LORO LANDSCAPE URBANO: OSTUNI, LECCE, MATERA, TORINO E MILANO.

Naturalmente irregular, la textura se enriquece con superposiciones cromáticas que son la perfecta fotografía de un viaje. Un recorrido que atraviesa Italia recogiendo colores y matices para re-interpretarlos en clave moderna.

Las cinco tonalidades propuestas representan las etapas del recorrido creativo. Cinco ciudades italianas cuya alma se repropone mediante matices que toman inspiración de su entorno urbano. Ostuni, Lecce, Matera, Turín y Milán.

Естественно неровная поверхность текстуры подчеркнута цветовыми переходами, представляя собой идеальный снимок путешествия. Маршрут проходит через всю Италию, собирая ее цвета и оттенки, интерпретированные затем в современном ключе.

Пять предлагаемых оттенков – это этапы творческого пути. Пять итальянских городов, дух которых передан через нюансы, навеянные их городскими ландшафтами: Остуни, Лечче, Матера, Турин и Милан.

天然不规则的纹理，通过色彩的重叠而别具特色，犹如一段旅程的理想拍摄效果。这条旅行路线横跨整个意大利，融合各种颜色和深浅变化，并以当代手法进行重新诠释。

该系列提供5种色调，代表了创新之路的各个阶段。该系列从意大利五大城市——奥 斯图尼，莱切，马泰拉，都灵和米兰——的城市景观汲取灵感而打造的色彩，再现了这些城市的灵魂。

I COLORI DEL PAESAGGIO SONO  
INTERPRETATI E SINTETIZZATI IN NUANZE  
NEUTRE E NATURALI CHE TRASMETTONO  
UNA RAREFATTA SENSAZIONE DI QUIETE  
E LEGGEREZZA. DELICATE SFUMATURE E  
MORBIDI PASSAGGI CROMATICI COME  
RAFFINATE PROPOSTE PER LO STILE DI VITA  
CONTEMPORANEO.

The colours of the landscape are interpreted and synthesised in neutral, natural nuances that give off a rare sensation of peace and lightness. Delicate shades and soft colour passages become refined proposals for a contemporary lifestyle.

Die Farben der Landschaft wurden in neutralen, natürlichen Nuancen interpretiert und auf den Punkt gebracht, die ein feines Gefühl der Ruhe und Leichtigkeit vermitteln. Zarte Nuancen und weiche Farbübergänge als raffinierte Vorschläge für einen zeitgemäßen Lebensstil.

Les couleurs du paysage sont interprétées et synthétisées dans des tons neutres et naturels qui transmettent une perception raréfiée de quiétude et de légèreté. De délicates nuances et de tendres variations chromatiques composent des propositions raffinées pour un style de vie contemporain.

Se interpretan y sintetizan los colores del paisaje a través de neutros y naturales matices que transmiten una refinada sensación de calma y ligereza. Delicadas tonalidades, suaves paisajes cromáticos y elegantes propuestas para el estilo de vida contemporáneo.

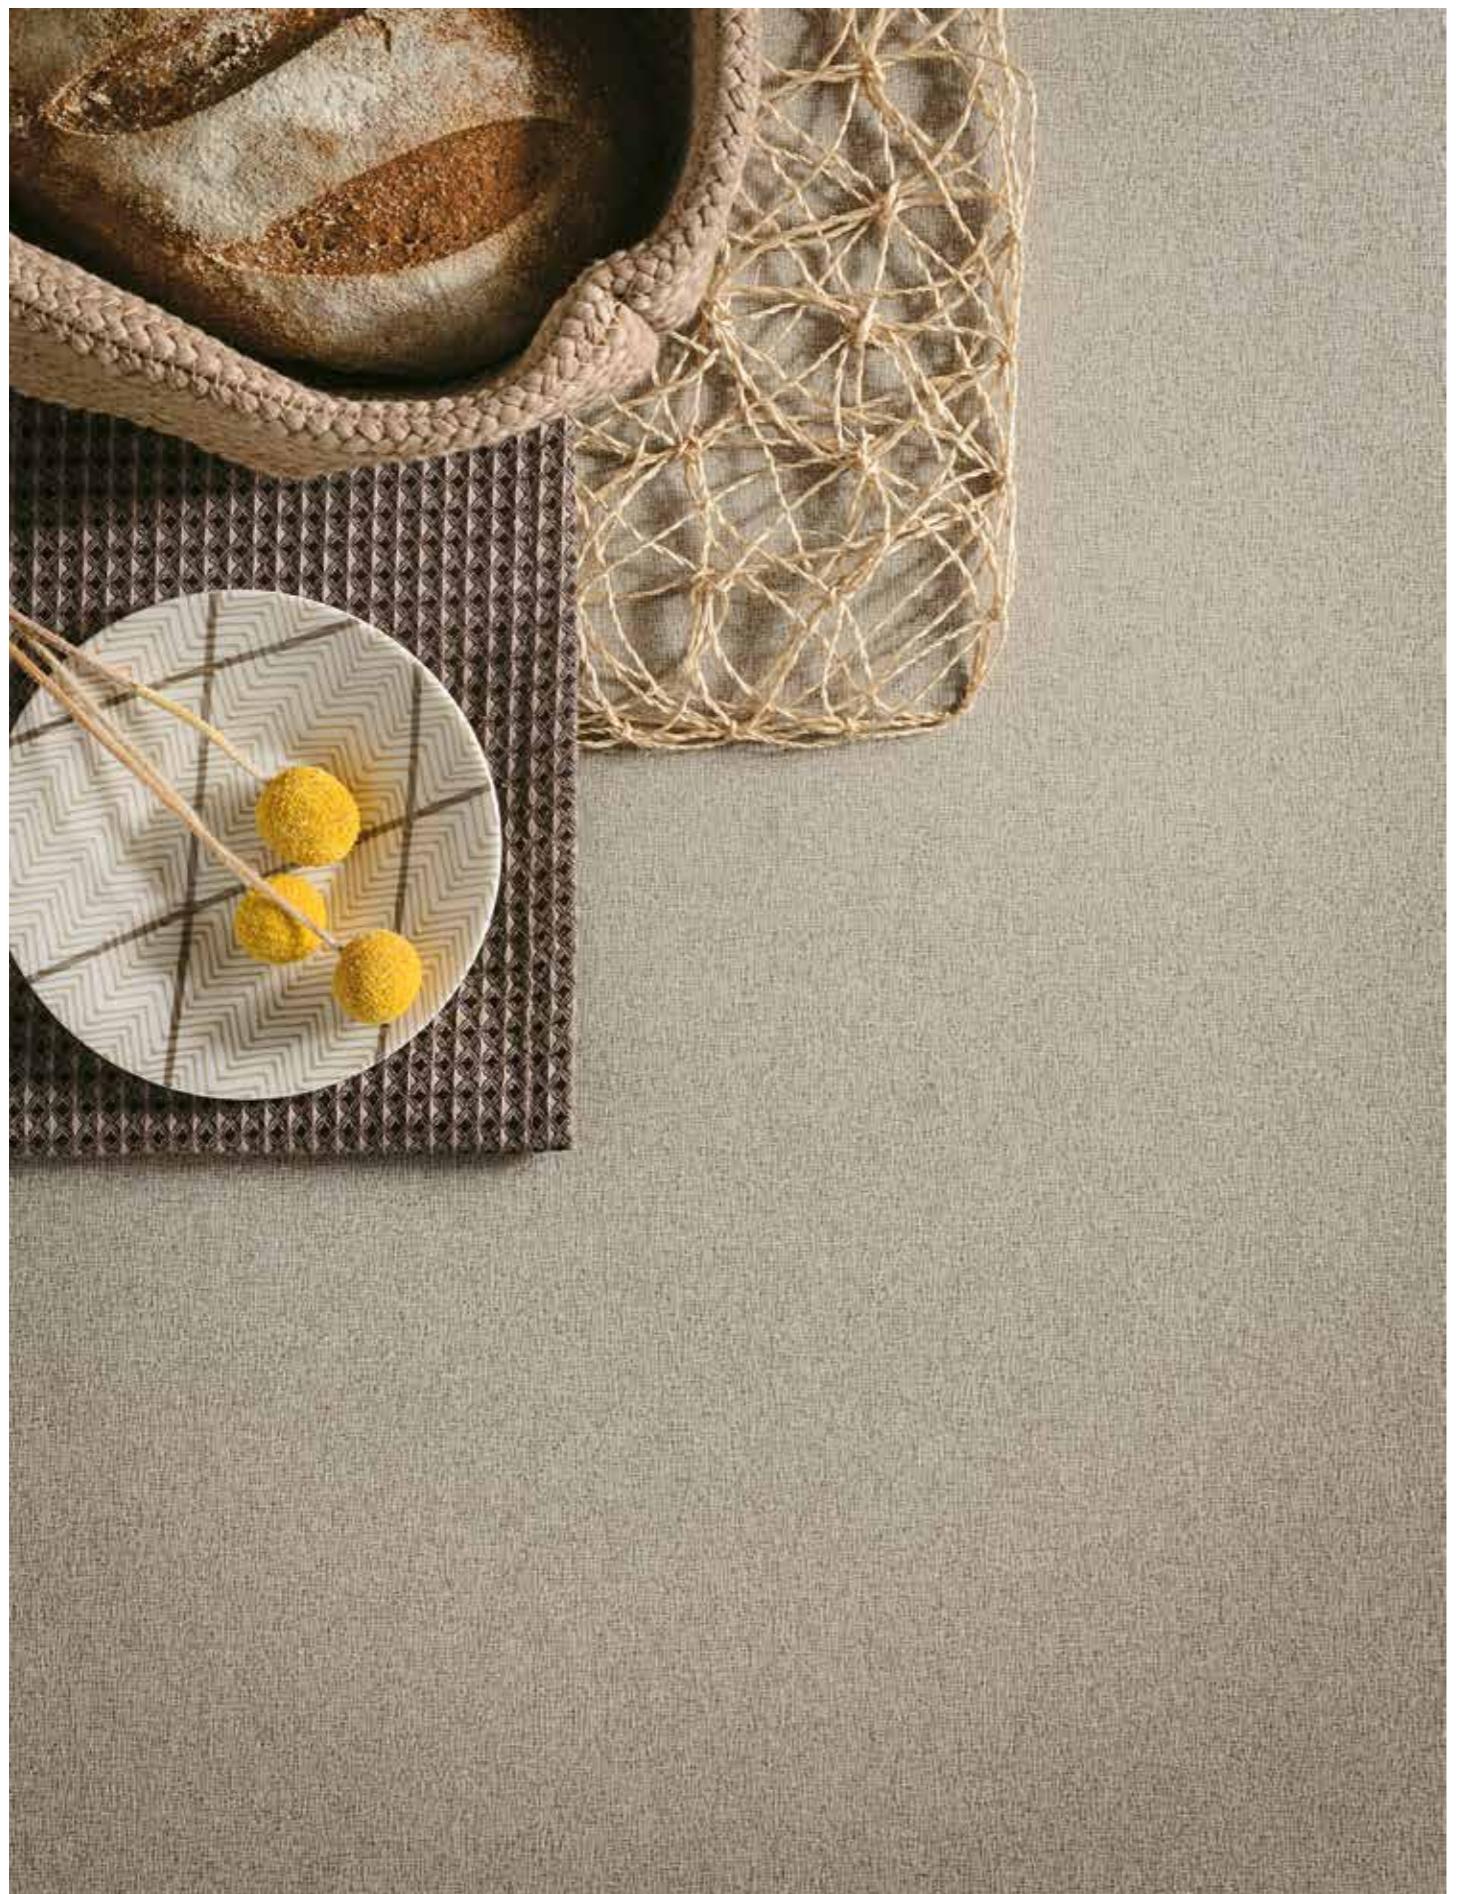

Краски пейзажей интерпретированы и воплощены в нейтральных и натуральных нюансах, передающих разреженное ощущение покоя и легкости. Легкие и мягкие цветовые переходы создают изысканное воплощение современного стиля жизни.

大自然风景色彩经过重新演绎，获得中性、自然的色彩，传递着一种宁静和轻盈的细腻感觉。微妙的深浅变化和柔和的色彩过渡，最适合现代生活方式的装饰风格。

## DESIGN SOSTENIBILE.

SUSTAINABLE DESIGN · NACHHALTIGES DESIGN · DESIGN DURABLE  
DISEÑO SOSTENIBLE · УСТОЙЧИВЫЙ ДИЗАЙН · 可持续发展的设计。

MIRAGE® RAFFORZA CON TRANSITION LA PROPRIA SCEGLTA ECOLOGICA, ATTRAVERSO SCELE ETICHE IMPORTANTI:

LA SELEZIONE DI UN IMPASTO REALIZZATO IN GRAN PARTE CON MATERIALI PROVENIENTI DA SCARTI DI PRODUZIONE (MATERIALE RECICLATO PRE-CONSUMER > 25%) E CON L'UTILIZZO DI SABBIA LOCALE A KM 0, CHE GARANTISCE LE MEDESIME ALTE PERFORMANCE TECNICHE TIPICHE DEL GRES PORCELLANATO MIRAGE®.

IL CONFEZIONAMENTO DEL FORMATO 60X60 IN IMBALLI DI CARTONE TOTALMENTE RECICLATO.

LA COPERTURA DI PROTEZIONE DEI PALETTI CON TERMORETRAIBILI IN MATERIALE PLASTICO TOTALMENTE RICICLATO.

L'UTILIZZO DI PALETTI PROVENIENTI DA LEGNO RECUPERATO AL 100%.

UN'ANIMA ECOLOGICA E SENSIBILE ALL'AMBIENTE, LA CUI ESTETICA SI EVOLVE IN SUPERFICI DI DESIGN ALTAMENTE CONTEMPORANEE.

With Transition, Mirage® underlines its own green spirit, with important ethical choices: the selection of a mix made with a majority of materials taken from production waste (pre-consumer recycled materials > 25%) and the use of zero-mileage local sand, which guarantees the same high technical performance that is typical of Mirage® porcelain stoneware.

Size 60x60 packaged in 100% recycled cardboard.

Heat-shrink protective pallet packaging in 100% recycled plastic. The use of pallet made from 100% recycled wood.

A green soul, sensitive to the environment, with aesthetics evolving in surfaces with a highly contemporary design.

Mit Transition verleiht Mirage® der eigenen ökologischen Gesinnung anhand von bedeutenden ethischen Entscheidungen nachdruck: die Wahl einer Masse, die Grossteils mit aus den Produktionsabfällen stammenden Materialien (pre-consumer-recyclingmaterial > 25%) und mit vor ort produziertem sand, der die gleichen für das Feinsteinzeug von Mirage® typischen technischen Leistungen gewährleistet, erzeugt wird.

Die Verpackung des Formats 60x60 komplett in recyceltem Karton. Die Schutzabdeckungen der Paletten sind schrumpfbar und komplett recyceltem Kunststoff.

Der Einsatz von Paletten, die zu 100% aus wiederverwertetem Holz bestehen.

Eine ökologische, umweltfreundliche Seele, deren ästhetik sich zu extrem zeitgemäßen Designoberflächen entwickelt.

Avec Transition, Mirage® renforce son choix écologique en prenant d'importantes décisions éthiques : la sélection d'une pâte réalisée en grande partie avec des matériaux provenant de déchets de production (matériau recyclé après consommation > 25 %) et en utilisant du sable local à km 0, qui garantit les mêmes hautes performances techniques qui caractérisent le grès cérame Mirage®. Le conditionnement du format 60x60 dans des cartons entièrement recyclés.

La couverture de protection des palettes avec une matière plastique thermorétractable entièrement recyclée.

L'utilisation de palettes faites de bois réemployé à 100 %.

Un esprit écologique et sensible à l'environnement, dont l'esthétique évolue en surfaces d'un design hautement contemporain.

Mirage® consolida con Transition su elección ecológica a través de importantes preferencias estéticas: la selección de una mezcla hecha casi en su totalidad por materiales procedentes de desechos de producción (material reciclado pre-consumo > 25%) y el uso de arena local de km 0 que garantiza las mismas excelentes prestaciones técnicas del gres porcelánico Mirage®.

La producción del formato 60x60 en embalajes de cartón totalmente reciclado.

La protección de los palés con termoretráctiles en material plástico totalmente reciclado.

El uso de palés de madera recuperada al 100%. un espíritu ecológico y sensible al medioambiente cuya estética evoluciona hacia superficies de diseño altamente modernas.

В коллекции Transition компания Mirage® подтвердила свой экологичный выбор, применив на практике важные этические решения: использование смеси, созданной в основном из отходов производства (утилизированный после производства материал составляет > 25%), и с использованием местного песка, гарантирующего те же превосходные технические характеристики, которые отличают весь керамогранит Mirage®.

Упаковка плитки форматом 60x60 в коробки из полностью переработанного картона.

Защитное покрытие поддонов полностью переработанным термоусадочным пластиковым материалом.

Использование поддонов из переработанного на 100% дерева.

Экологичная и чувствительная душа интерьера, эстетика которой отражается в сверхсовременных дизайнерских поверхностях.

Mirage®公司通过Transition系列的多项重大道德选择而加强其环保政策：混合物大部分采用生产废料（消费前再生材料> 25%）生产，并使用0公里的当地砂，保证与Mirage®瓷砖产品拥有同样超高的典型技术性能。规格60x60产品完全采用再循环纸板箱进行包装。托盘的保护膜完全采用再循环热收缩塑料膜。使用以100%回收木材制成的托盘。瓷砖具有环保的灵魂以及设计富有现代感的表面。

TRAVEL BECOMES EXPERIENCE

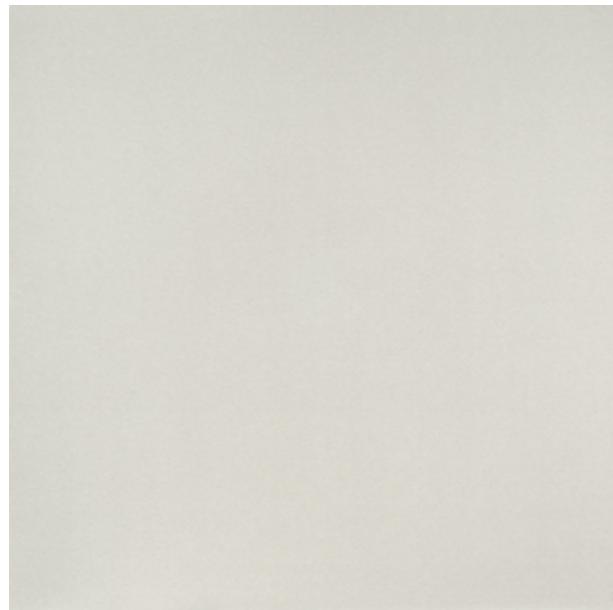

reddot award 2016  
winner

Lanzavecchia + Wai è una collaborazione creativa tra Francesca Lanzavecchia e Hunn Wai. Per loro il designer è allo stesso tempo ricercatore, ingegnere, artigiano e narratore. I progetti di design sono per loro viaggi di ricerca caratterizzati dall'indagine e dall'utilizzo selettivo di differenti applicazioni della progettazione da curare, incrociare e nutrire nell'ambito di concetti e prodotti che suggeriscono possibilità e ispirano nuove prospettive. Lo studio ha sede a Pavia e a Singapore ed è stato ufficialmente istituito nel 2009. I loro progetti comprendono edizioni limitate per gallerie e musei, prodotti industriali e progetti speciali per brand come Alcantara, Samsonite, Mercedes Benz e AgustaWestland. Nel corso di questi anni hanno ricevuto diversi riconoscimenti tra cui il prestigioso premio Elle Décor International Design Award 2014 nella categoria "Young Designer Talent of the Year".

Lanzavecchia + Wai is a creative collaboration between Francesca Lanzavecchia and Hunn Wai. To them, being designers means being researchers, engineers, craftsmen and story-tellers all at the same time. Design projects to them are research journeys characterized by the pursuit and selective employment of different design disciplines and professional competences, to be curated, cross-bred and nurtured into concepts and products that propose possibilities and inspire new perspectives. The design studio based both in Italy and Singapore was officially established in 2009 and their work spans from limited editions for galleries and museums, to mass products for major companies, to special commissions for brands like Alcantara, Samsonite, Mercedes Benz, AgustaWestland. Their recent accomplishments include being awarded with the "Young Design Talent of the Year" by Elle Décor International Design Awards 2014.

112 Grigio Medio

Il decoro FADE è squadrato meccanicamente, pertanto non è possibile garantire il perfetto allineamento delle bande. La resa estetica del prodotto posato è comunque tale da garantire un passaggio cromatico omogeneo e armonioso. E' disponibile sia per FADE 120x120 che per FADE 60x60, il relativo angolo realizzato da taglio.

FADE decoration is mechanically squared, so it is not possible to guarantee the perfect alignment of the stripes. The visual performance of the laid product in any case ensures a uniform, harmonious colour passage. The relative cut corner is available for both FADE 120x120 and FADE 60x60.
